

Little Stars Nature School Supply List

For school, your child will need a **snack container or lunch box** that they can independently open and a **backpack** large enough to easily hold their food. They will also need a **rainsuit or muddy buddy**. The brand Reima has moderately priced 2-piece sets that we recommend. Outdoorschoolshop.com has great information on quality rain gear and layering guides to help you and your child prepare for the weather. They will also need **waterproof shoes** and as the year progresses into colder months, a **good base layer** (preferably wool) and **wool or waterproof long socks**. Additionally, they will need a gallon **ziploc bag with spare clothes** that will remain at school.

Please be sure to label all your child's belongings!

If you would like to donate classroom supplies, we'd be grateful for the support! These items include:
